ANNUAL REPORT PRESENTED BY
Sri SUSANTA KUMAR PANDA, GENERAL SECRETARY
ON 12TH JANUARY 2017 during the ANNUAL GENERAL BODY MEETING.

Good Evening……..

Mr. President, Office bearers, Executive Members and Member friends.

On behalf of the Executive committee I take this opportunity to present the Annual Report which contains a precise report of the memorable events out of many activities taken up by your Association during the Year 2017.

At the outset, I express my heartiest thanks to President, all office bearers & executive committee members for their support and cooperation which made my job easy & smooth. I also thank all senior and active members for their encouragement, guidance & involvement to make this year a memorable one.

The year 2017 is another golden year in the history of OIA as it was started with a BonFire and ended with a grand Industrial Exhibitions with Union Minister of India as Chief Guest. Besides, during the year we had taken up various activities, meetings, training camps and discussion for the development of members & Industries as a whole.

MONTH WISE ACTIVITIES OF OIA DURING 2017

JANUARY 2017

- One of our well wisher Sri K. L. Rao who was officiated as Director MSME DI Cuttack, Govt. of India twice, relinquished his office on attaining retirement age on December 31st 2016.

  A team led by OIA President extended a farewell to Sri Sri K.L.Roa ji on 30th December 2016 at his Cuttack office and thanks for his contribution for the development of MSMEs of our state during his tenure.

- 1st EC Meeting of newly elected members of OIA was held on 11.1.17 and all the newly elected members & office bearers discussed and decided the activities broadly for the year 2017.

The 1st meeting of the new committee & office bearer in the 1st month of the year was ended with a BonFire.
Later Committee Members & office bearers were enjoyed the chilled evening with a Bone Fire at OIA campus to show their team spirit.

- 68th Republic Day was celebrated with full enthusiasm and on 26th Jan, 2017 among the members in OIA Campus.
  Senior member Sri Manmohan Sahu had hosted the national Flag and the members joined in a meeting to remember the sacrifices of our freedom fighters.

FEBRUARY 2017

- We had organized an awareness programme on GST on 22.02.17 in OIA Conference Hall with Experts from outside the state to update our member entrepreneurs on GST.

  GST Experts Sri R.K.Dash, IRS (Retd), Sri Tarun Agarwal, Charter Accountant, Sri Bibek Kumar Halwai, Charter accountant & Sri Shree Prakash, DGM NSIC were discussed & explained various provisions of GST to our entrepreneurs and their staffs.

- A Campaign cum workshop on "NSIC Schemes & Policy for SMEs" was organized on 22.02.17 in OIA Conference Hall in association with NSIC to discuss various schemes & policies of Govt. of India for SME sector.

  Sri Shree Prakash, DGM NSIC and Sri P.K.Das, Manager Admin NSIC had explained various schemes & policies of Govt. of India for SMEs in detail.

MARCH 2017

- In the 3rd EC Meeting of this committee on 8.03.17 a milestone historic decision was taken to open an OIA Co-operative in the Association premises to make available products of our member units to all who linked with Jagatpur Industrial Estate at a special discounted price. Aim of this Co-operative was:

  1)- To marketing the products of our member units.
  2)-To save our workers pocket by providing goods at a discounted price.

3)- To update all regarding the products manufactured in this I/E.
4)- To link Employer & Employee for a cause of mutual interest.

APRIL 2017

- Madhu Jayanti was celebrated with vigor & enthusiasm on 28th April, 2017 as Swabhiman Divas and the members of OIA in a rally visited Satyabhamapur the birth place of UTKAL GAURAVA Madhusudan Das .

MAY 2017

- Prevention is always better than cure.

  Keeping in view the past years experience of Dengue issue OIA called an emergency meeting of members on 27.5.17 to discuss & review the Dengue prevention activities and to maintain maximum cleanness inside the I/E prior to monsoon.

JUNE 2017

- The World Environment Day was celebrated on 5.06.17 in OIA Conference Hall with Orissa State Pollution Control Board Cuttack Regional Office. A Workshop on Environment was conducted and many delegates from OSPCB Cuttack Regional Office including R.O Er. Shakti Das joined the workshop and express their concern for environment.

  Plantation were undertaken by the guests & members inside the Industrial Estate and plants were distributed among the members for plantation of the same around their respective units.

- Whole Industrial Estate is our family and OIA always concern for the interest of members along with their workers.

  For the welfare of all industrial workers OIA President inaugurate a cooperative store inside OIA campus in the name of “SILPA SAHAYOGA” on 9.06.17 to make available all day to day goods at a cheaper & discounted price for the members & their workers.

- OIA always give priority to the health and sanitation of members and their channel partners.

  We had conducted a review meeting on prevention of Dengue and to maintain necessary cleanliness inside the Industrial Estate in the presence of CMC commissioner Sri Bikash Mohapatra with our members on 19.06.17 in the Conference Hall of OIA.

- To Safe guard Safety & security of entrepreneurs is always priority of OIA.

  On 27.6.17 a delegation of OIA led by President met with DH, IDCO Cuttack Division for his immediate action against the un-authorized encroachment/ construction of the outsiders for maintaining necessary safety & security inside the Industrial Estate.

  During a joint field survey of OIA Team with DH IDCO many illegal activities like Satta Adda were found inside the Industrial Estate and a FIR was lodged by DH IDCO with local police station regarding the same.

- Prior to GST regime a GST Out Reach program was conducted for our members and their staffs on 29.6.17 in OIA conference hall with Cuttack II Range of Commercial Tax Office.

  Exports from the state commercial tax dept explained the provisions of GST in details with power point presentation.

JULY 2017

- Delegates of OIA attend the high level GST review meeting called by Sri N.K.Sundaray, IAS, Joint Secretary MSME, Govt. of India on 10.7.17 at MSME DI Cuttack office and delivered our concern over RCM on Transportation Bills in particular & other GST complications on SMEs in general.

- Delegates led by President OIA attend the GST review meeting by Sri S.N.Tripathy, IAS, Addl. Secretary & DC MSME, Govt. of India on 29.7.17 at MSME DI Cuttack office.

President greet DC Sri S.N.Tripathy, IAS with flower bouquet and presented a Memorandum on impact of GST on SMEs.

- Being a conscious citizen members of OIA always concern about their duties & obligation towards our mother land.

  During Doclam boarder issue with China OIA organized a huge Rally on 29.7.17 with its members & their staffs to boycott China product towards a token of our solidarity & patriotism for our great NATION.

  Around 5000 persons joined the rally from Jagatpur IPICOL squire to NH Golei squire and promised to boycott China product by burning some Chine products.

AUGUST 2017

- Protection of interest of members is also priority of OIA.

  For the benefit of our members Team OIA met with Dr.Sukanta Sahu, Director MSME DI Cuttack, Govt. of India on 8.08.17 to discuss various schemes & policies of GOI for MSMEs and proposed to held NVDP cum MSME Exhibition jointly at Cuttack.

- 71st Independence Day was celebrated on 15.08.17 by the members of OIA with full of vigor and enthuciasism in our Association premises.

  President Abani Kanungo was hosted the national flag and conducted a meeting and discussed the history of our freedom struggle with the fellow members.

  Sisters from Prajapita Bramha Kumaris participated in the meeting and tied Rakhi to our members.

- OIA always give priority to traditions & beliefs.

  As usual we had celebrated Lord Ganesh Puja in full devotion with all our members inside OIA premises on 25th Aug, 2017.

  In respect of employers OIA always organized a employee & employer

get togather during Lord Ganesh Puja.

As a part of Lord Ganesh Puja we had organized Prasad Sevan for all Members and their staffs/ workers inside OIA campus on 28.08.17 where around 3000 persons took the pleasure of Ganesh Prasad together.

SEPTEMBER 2017

- OIA always feel proud for its members and recognize their achievements.

  Our member units M/s. Jai Bharat Spices (P) Ltd. & M/s. Odi Ray Ltd. had bagged 2 most prestigious awards "Excellence in Export" & "Best Beverage of the Year" for their outstanding performances in their respective fields from Govt of Odisha and a Leading Media House of Odisha.

  We organized a felicitation function to honour these 2 members on 27.09.17 at OIA campus.

  Hon'ble Minister for MSME, Wome & Child, Development and Mission Shakti, Social Security & Empowerment of Persons with Disability, Govt of Odisha had joined the felicitation function as chief guest and felicitate the achievers.

OCTOBER 2017

- A delegation of OIA joined & deliver the written proposals during the "Dissemination Workshop on Business Reforms" on 13.10.17 called by Principal Secretary of Industries at Hotel Swasti Premium Bhubaneswar.

  Many of our proposals were discussed in detail in presence of concern dept. heads for necessary reforms.

- OIA always concern for the members and their business activities.

For an un-interrupted quality power supply to run smooth business operation OIA Team met with Sri S. Rout head of CESU Cuttack division (SE) on 26.10.17 to protest against un-declared power cuts.

With his intervention morning & evening power cuts stopped with immediate effect.

NOVEMBER 2017

- OIA always compactable with other Associations for the mutual benefits of the entrepreneurs.

  OIA joined hands with all other Industrial Association of our state under the convention of senior entrepreneur Sri Manas Das for conversion of IDCO plots allotted to SMEs from Lease hold to Free hold status.

  In this matter a delegation of OIA along with other Association leders under the convenorship of Sri Manas das met with Sj. Prafulla Samal, Hon'ble Minister for MSME, Wome & Child, Development and Mission Shakti, Social Security & Empowerment of Persons with Disability, Govt of Odisha on 13.11.17 to discuss Freehold issue and presented a Memorandum to the Minister on this subject.

- For a comprehensive restructuring of electricity facility in and around Jagatpur Industrial Estate a OIA delegation met with Md. Sidique Allam, IAS the CEO, CESU on 29.11.17 to discuss the issues in detail and presented a proposal with sketch for his immediate action.

DECEMBER 2017

- Like past years we ended the year 2017 with an Industrial Exhibition ***"MSME EXPO Odisha - 2017"***. OIA in association with MSME DI Cuttack organized a National Level Vendor Development Programme Cum Industrial Exhibition and Buyer-Seller meet at Chauliaganj Play Ground from 17th – 19th December 2017. Around 120 MSMEs, PSUs, Large & Mother Plants and Bankers were participated in this 3-dyas show.

"MSME EXPO Odisha-2017" was inaugurated on 17th December 2017 by **Sri Dharmendra Pradhan,** Hon'ble Union Minister for Petroleum and Natural gas, skill Development and Entrepreneurship, Govt. of India in the presence of other distinguished guests Sri Ram Mohan Mishra, IAS, Addl. Secretary & Development Commissioner (MSME), Govt. of India and Sri Ravindra Nath, Chairman cum Managing Director NSIC, New Delhi.

The three days long ***"MSME EXPO Odisha-2017"*** got its colorful ending on 19th December 2017 with Chief Guest **Sj. Prafulla Samal**, Minister for MSME, Govt of Odisha in the presence of **Sri L.N.Gupta,** IAS, Addl Chief Secretary MSME dept. govt. of Odisha.

Friends! I have received full support and cooperation from you all during my tenure as General Secretary. Your love and trust supported me to discharge my duties. I am extending my hearty thanks to all of you and I am sure with your active participation and support our association shall grow much higher level in the future years.

Once again I would like to thank our President, Office Bearers, Executive Committee members and all the entrepreneur friends for their sincere commitment & co-operation to carry on the activities of our association in the most vibrant way.

Thank you all.

(Susanta Kumar Panda)
General Secretary.

INDEPENDENT AUDITORS REPORT

We have Audited the accompanying Financial Statements of Odisha Industries Association, New Industrial Estate, Jagatpur, Cuttack- 754021, Odisha, registered under Societies Registration Act, 1860, ("the Society") comprising of Balance Sheet as at 31st March, 2017, Statement of Income and Expenditure for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management of Odisha Industries Association are responsible for maintenance of adequate accounting records for safeguarding the Assets and for preventing and detecting frauds and other irregularities, the selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and the design, implementation and maintenance of adequate internal financial controls that are operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of these financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the financial position, financial performance of the organization.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. While conducting Audit, we have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the Audit report as per the provisions of the Act. We conducted our audit in accordance with the Standards on Auditing issued by The Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the organization for the year ended as on 31.03.2017.

Report on other Legal and Regulatory Requirements:

a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid financial statements;
b. in our opinion proper books of account as required by law relating to preparation of the Financial Statements have been kept by the organization so far as it appears from our examination of those books;
c. the Balance Sheet & Statement of Income and Expenditure dealt in this report are in agreement with the relevant books of account maintained for the preparation of the Financial Statements;

d. In our opinion, the aforesaid financial statements comply with the Accounting Standards to the extent applicable to the organization.

In our opinion and to the best of our information and according to the explanations given to us, the Balance Sheet & Statement of Income and Expenditure give the information in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

(i) In the case of the Balance Sheet of the state of affairs of the said organization as at 31.03.2017;

(ii) In the case of the Statement of Income and Expenditure, of the excess of Income over Expenditure for the year ended on 31.03.2017 and ;

PROPOSALS NEED TO BE CONSIDERED BY DC MSME,

Government Of India

presented by

ORISSA INDUSTRIES ASSOCIATION

Shree S.N.Tripathy, I.A.S
Addl. Secretary & Development Commissioner (MSME)
Ministry of MSME
Govt. of India

We feel privileged to be here to place our ideas and perspectives before the highest authority of MSME dept. of our country.

We have many problems and issues which need to be cared about. But we shall pin point few areas which we feel very important for your active engagement.

1. No special provision/ incentives provided to MSMEs in GST regime.

Because of the size MSMEs are generally procure their raw materials at higher price & sale their finished products at lower price in comparison to MNCs / Large Industries. This will cause survival issue for the MSMEs.

We propose to increase the exemption limit of GST for MSMEs from 20 lac to 2 Cr.

2. MSMEs may be allowed to file their business return Quarterly instead of Monthly under GST regime. Filling of monthly time bound return for MSME will cause hiring of high professionals every month for the same which involve high cost.

2ndly, to stay in competition MSMEs are in general sale their products on 1-3 month credit and therefore paying monthly TAX under GST will cause huge financial burden for the SMEs.

3. Common Testing Labs may be set up with initiation by GOI in each

industrial zone for the larger benefit of MSMEs.

4. Disposal of waste and sanitation is a big issue for MSMEs now.

Common waste management yards may be set up with initiation by GOI in each industrial zone for the larger benefit of MSMEs.

5. Necessary amendment to be made for PSUs & Mother Plants to procure 20% of their annual procurement from the MSMEs of their respective states only.

6. PSUs & Mother Plants may be instructed to forward their item wise annual requirement and procurement of previous year to all Industries association of the state with a copy to MSME DI.

7. PSUs & Mother Plants may be instructed to strictly follow the credit limit as proposed by the dept. earlier. In most of the cases payment delayed by the PSUs & Mother Plants causes huge financial loses to the MSMEs.

8. PSUs & Mother Plants may be instructed to strictly follow the provisions and extend the benefits to the MSMEs which are registered under NSIC.
Generally they are not extending special benefits like zero EMD to MSMEs registered under NSIC which cause in blocking of working capital of the units.

9. Special provision should be made by GOI for credit recovery of MSMEs.
Due to high competition generally SMEs are selling their product in credit, but pays Tax to govt. in time before realisation of their credit even.

Many times there is possibility of bad debt and therefore we propose to bring special provisions and stringent laws to protect the credits of SMEs.

10. Provision should be made for financing MSMEs by commercial banks at a subsidized rate of interest or to extend interest subsidy to the MSMEs by GOI.

11. Commercial Banks may be advised for strict implementation of CGTMC scheme for extending loan upto 2 crore to MSMEs without co-

lateral security.

12. Towards the marketing support to the MSMEs we propose for a subsidized advertisement tariff for MSME products in Govt. sponsored paper/ electronic media.

13. In this globalised market MSMEs are lacking behind the technological upgradation and thereby market.
We propose to initiate “Technology Exposure Tours” thru MSME DI to various developed industrial zones in and out of India.

14. Updated / upgraded information and technology should be available in all MSME DI offices for the larger benefit of MSMEs.

SIR, we propose many things. You too suggest many ideas for development of MSMEs. But very rarely we are heard with the seriousness we deserve.

We have faith in the vision and understanding that you have and hope your able leadership shall give due weight to our proposals.

Thank you SIR.

(Aabani Kanungo)
President

ORISSA INDUSTRIES ASSOCIATION
New Industrial Estate, Jagatpur

KEY NOTE ADDRESS - 26.9.17

We are happy to have Hon'ble Minister amongst us and after a long time we have an opportunity to place few issues which needs your kind attention for the sustenance and growth of MSME in our state.

SIR, it is an accepted fact that Small and Medium Enterprises (SMEs) contribute to economic development in various ways such as creating employment for rural and urban population, providing goods & services at affordable costs by offering innovative solutions and sustainable development to the economy as a whole.

SMEs in a developing state like Odisha face a number of problems, for example…

· Absence of adequate and timely banking finance,

· Non-availability of suitable technology,

· Ineffective marketing due to limited resources and non availability of skilled man power.

· Lack of marketing incentives and initiative provisions of Government

· And a sense of insecurity amongst MSME promoters due to inadequate policy back ups

There are around 13 million SMEs in the country, who contribute nearly 45% share of manufactured output, accounting for 40% in overall exports and providing employment to about 32 million people. With this national scenario the contribution of our state has shown a remarkably poor status, if we look into the performance of MSME and their contribution to the our state GDP, MSME sector feel ignored during last 5 years as no substantial input was provided to this sector. The policies declared have just stayed as superficial words in our state.

We hope and believe Sir,

when you are the captain of MSME sector, now you shall take some important steps to ensure that the sector not only stay alive but grow keeping pace with the national average.

1. **Policy Back Up:** SIR IPR 2007 restricted passing of incentives to many

units which are during later years proved their presence through paying VAT, electricity duty and excise. Many times this matter has been raised but no decision was taken so far. The time limit prescribed was beyond the reach of MSME entrepreneurs as they were linked with permissions and approvals to be issued by government agencies. Unless there is a provision of issuing permission and approval under one window there is no relevancy in keeping a timeline and refusing budding entrepreneurs to passing on incentives in the name of that timeline. 2015 IPR policy though deals with this part is silent on units coming under IPR 2007. This needs to be addressed with the seriousness it deserves and units and expansions taken up under IPR 2007 may please be reconsidered once again allowing them all the incentives under the provision of that IPR.

Procurement Policy 2015

Sir this policy is lying in the cold chamber, although declared since last two years. We are happy to learn that you had taken initiatives for their inclusion in OGFR and we hope that this policy comes into existence as soon as possible.

2. **Marketing** :

SIR marketing is a big challenge for MSME sector. Many states Government has started many policies to support MSME in marketing their products. Sir you shall be happy that even without any marketing supports some of our entrepreneurs have proved their excellence in marketing. Yet the sector needs Government support in this point. The MSME products are constantly growing as far as quality is concerned and the sector never compromises with quality.

Marketing is done by MSME entrepreneurs in two sectors.

- Private Trade and
- Government Trade.

The products which are marketed in Private Market, needs a strong support from Government,

· in shape of some assistance as far as advertisement is concerned

· making a policy to make it mandatory for big malls to keep local products

· The Government Sponsored Corporate co-operative stores may be advised to keep a definite percentage of stocks of local products.

· OSIC may be given this responsibility to procure local manufactured stocks and cater to Malls and the Cooperative societies.

· Different awards may be given by government annually to local products marketing in trade market.

GOVERNMENT MARKET

SIR the mindset of Government Officials needs to be changed so that this procurement Policy 2015 can really be implemented.

Directorate of Export Promotion & Marketing which was in the past was a pioneer organization supporting MSMEs in Government procurement, has been reduced to a small office now. The Directors who were once upon a time were brilliant IAS officers is being kept vacant for days together.

EPM and EPM rate contract needs to be elaborately strengthened. Wherever there is any deviation in Government procurement exemplary punishments may be awarded. EPM has developed excellent laboratories and those labs need to be manned and they may be the pioneer wing to assess quality of products procured by Government.

The government market in a developing state like Odisha has now expanded to many thousand crores and as the local MSME products are qualitatively superb, they deserve a bulk in the Government procurement.

Unless Marketing is addressed with the seriousness it deserves, growth and sustenance of MSME shall always remain as a dream. But with little marketing support potential entrepreneurs of the state shall take ahead the GDP of the state.

3. **SECURITY of Entrepreneur:**

SIR when a young educated entrepreneur comes to set up industry, which not only supports him with a profession, but also creates employment oppertunities, contributes to states exchequer and influences building a social infrastructure in and around the area of hisactivities.

We are all first generation entrepreneur. Leaving our family profession we have come to set up Industries taking small lands or sheds from Government paying their cost. If we would not have set up MSME, would be doing a job, with a fixed monthly salary and retiring with a fat amount of retiring benefits and an assurance of pension every month.

But by taking the challenge of entrepreneurship, we have pushed ourselves to an uncertainty. We do not have neither an assurance of monthly salary nor a fat amount at the time of retirement nor even we do have any right on our own land and

building that we have created in our life long working --- as we cannot do anything without the permission from IDCO.

Sir Industrial Estates are Government land and if the Government shall convert the leasehold rights to freehold rights for the MSMEs in the state, then we can at least feel secured that the lifelong investments made in land and building belongs to us, and when we stop to engage in trade we can at least rent it out for commercial activity to maintain ourselves.

SIR on this score all the senior entrepreneurs are working now and collecting request letters from the units to Hon'ble Chief Minister to consider their representation. We all have joined together and shall meet you sometime after Puja holidays to discuss the issue and lead the entrepreneurs to present their mass representations to Chief Minister. We believe SIR we shall have your firm support and you shall lead us to chief Minister.

Senior entrepreneurs from all over the state shall meet you after Puja Holidays and discuss the matter.
This conversion if granted by Government, shall at least secure the existence of MSME entrepreneurs in our state.

SIR ODISHA entrepreneurs are not less competent than their counterparts in other states. You are here to felicitate two of our brilliant members who have been acknowledged by the Government for their unique contribution in the field of manufacturing trade. We assure you, if you stand behind us as a pillar, we can take Odisha to a higher label as far MSME and GDP is concerned.

OIA believe that you shall always stand with us and you shall always lead us for the support MSME of our state.

Jai Jagannath.

ORISSA INDUSRIES ASSOCIATION
PROPOSALS NEED TO BE CONSIDERED IN DISSEMINATION WORKSHOP ON REFORMS on 13.10 17

We do here by appreciate the efforts of your department for organizing a state level Dissemination workshop with related department heads to discuss the dissemination of govt. reforms.

There are around 13 million SMEs in the country, who contribute nearly 45% share of manufactured output, accounting for 40% in overall exports and providing employment to about 32 million people. With this national scenario the contribution of our state has shown a remarkably poor status.

MSME sector feel ignored during last 5 years as no substantial input was provided to this sector. The policies declared have just stayed as superficial words in our state.

In this regard we would like to forward following core issues for its necessary discussion in the above workshop.

1. **Policy Back Up:**

IPR 2007 restricted passing of incentives to maximum units due to the restriction of 2 years Time Limit to start the commercial production from the date of first financial investment where

a. Single window system not worked literally
b. No time limit fixed for permissions and approvals to be issued by various govt. agencies.
c. Non issuing of NOC by IDCO to mortgage land for getting loan, etc.

This issue was discussed in various forum earlier and the than Chief Secretary Sj.G.C Pati, IAS assured in presence of than CMD IDCO Sj. Vishal Dev, IAS to passing of IPR 2007 incentives on case to case basis.

This need to be addressed with the seriousness it deserves and units under IPR 2007 may please be reconsidered once again to passing of all incentives under the provision of that IPR.

2. **Procurement Policy 2015 :**

This policy is lying in cold chamber, although declared since last two years. We hope this policy should come into existence as soon as possible.

3. **Infrastructure Development :**

IDCO was primarily conceived during 1980-81 for providing basic infrastructure for establishment of MSMEs in our state.

Even after 36 years of its existence no proper roads & drains has yet been provided by IDCO in many industrial estates.

In course of time the focus of IDCO has been shifted from promoting to policing and issuing show cause notices to MSMEs.

Even if IDCO now issuing show cause notice for passing of liabilities to entrepreneurs who had taken over sick & seized units from OSFC u/s 29 of SFC Act 1951 long years back and to the units after 36 years of their allotment.
Instead of clearing unauthorised slums, shops, hotels, liquor shops & other criminal activities inside the Industrial Estate IDCO is busy in issuing notices to running genuine entrepreneur in various false issues.

The role of IDCO should be reviewed and fixed.

4. **SECURITY of an Entrepreneur :**

By taking the challenges of entrepreneurship, we have pushed ourselves to an uncertainty. We do not have neither an assurance of monthly salary nor a fat amount of benefits at the time of our retirement nor even we do have any right on our own land and building that we have created in our life long working - as we cannot do anything here without the permission of IDCO.

We propose to convert the leasehold rights of the above IDCO lands to freehold rights for the MSMEs in the state, with some minimum criteria, to feel ourselves secured and to attract our next generations to this activity.

5. **Accountability of Officials to be fixed:**

In many cases promotional agencies are engaged in fault finding instead of

facilitating activities and harassing the small SMEs. We have to run pillar to post to get the justice and by that time industry get sick.
We propose to fix accountability of all promotional agencies and they should be restricted from their policing activities and may be advised to co-operate/ guide & support the MSMEs for transforming our state to an industrialized state like Gujurat.

6. **CICG Infection & Inspector Raj :**

To stop inspector raj Govt. had take up CICG inspection concept for MSMEs in a periodic interval with prior information.

But now some units are inspected
a. even a couple of month interval and
b. without any prior information - which need to be looked into.

Besides various labour reforms that had taken up by dept. from time to time without creating required awareness among the MSMEs which drag our nose under the inspector raj. For example
a. minimum wages revised and notified during June 2017 with a retrospective effect from 1.04.16 which is illogical.
b. now asking for contribution towards the Odisha Labour Welfare Board for the year ending 2016 where as units registered under ESIC & EPF are already contributing their share for the welfare of workers.

7. **APAA :**

A couple of year back APAA was introduced by IDCO for better transferency, hassle free & speedy disposal of files but now it failed to achieve its goal. Applications for NOC to mortgage, refund of excess payment of Ground Rent and for other works getting more delayed now.

This need to be reviewed.

8. **Power Supply :**

An uninterrupted power supply should be maintained for smooth running of manufacturing activities.

Undeclared power cuts cause huge losses to process units & plastic units.
Electric dept should make accountable for loses caused due to undeclared

power cuts.

9. **Pollution Control Measures :**

Disposal of solid waste and sanitation is a big issue for MSMEs now. Setting up of individual waste treatment plants are not possible by small MSMEs as it involves huge cost.

Therefore common waste management yards may be set up with initiation by govt. in each industrial zone for the larger benefit of MSMEs.

10. **Common Testing Labs :**

Setting up of a high standard Testing Lab involves high cost and sometimes beyond the capacity of a MSME.

Common Testing Labs may be set up with initiation by govt. in each industrial zone for the benefit of MSMEs.

11. **Users Fees Charged by Municipal Corporation :**

Some Municipal Corporations are charging high users fees to the units inside the IDCO industrial estates without providing any services there in. What is the logic of charging high user fees when units inside the IDCO IE are not using any services of the local Corporations.

This need to be reviewed.

12. **Weights & Measurement Policy :**

Weight & Measure Dept. inspection should also come under CICG and necessary guidelines to be reviewed & fixed like what to be stamped and when to be stamped.

They are even asking to stamp auto packing machines, with high annual fees, without any standard weighing mechanism. Those are primarily packing machines not weighing machines, than what is the logic of asking to stamp that machine and what is the parameter of stamping ? Please clarify ….

13. **Credit recovery Tribunals :**

Special provision should be made by govt. for credit recovery of MSMEs.
Due to high competition generally SMEs are selling their product in credit, but pays Tax to govt. in time before realisation of their credit even.
Many times there is possibility of bad debt and therefore we propose to bring special provisions and stringent laws to protect the credits of state SMEs.

14. **Financing :**

Commercial Banks may be advised for strict implementation of CGTMC scheme for extending loan upto 2 crore to MSMEs without co-lateral security.

15. **Technology :**

Updated / upgraded information and technology should be available in all DIC offices for the larger benefit of MSMEs

Besides we propose to initiate "Technology Exposure Tours" for MSMEs thru Directorate of Industries to various developed industrial zones in and out of India.

Thank you.
