ANNUAL REPORT -2020 PRESENTED BY
SRI VINOD BHUT, GENERAL SECRETARY
ON 20TH FEBRUARY 2021 during the ANNUAL GENERAL BODY MEETING.

Good Afternoon....
Honble Chairman , Office Bearers, Executive committee Members and dear Entrepreneur Colleagues, on behalf of the Executive Committee, I feel honoured to present the Annual Report which contains some activities and events organised by our Association in the year 2019-20.

On this day I wish to express my heartfelt gratitude and love to The Chairman, all Office Bearers, Executive committee Members, Special Invitees and all Members for their active participation and support.

- OIA team under the General Secretary attended the 16th entrepreneurs week on 05.03.2020, at Bhubaneswar, organized by Government of Odisha. OIA presented the current status of entrepreneurs and challenges faced by them.

- A National Vendor Development Programme cum Industrial exhibition at Chauliaganj-OMP ground Cuttack was Organised by OIA in collaboration with MSME DI Cuttack. All arrangements were in place but because of the unfortunate PANDEMIC the exhibition was abruptly closed just after its inauguration day 13.03.2020.

- Honble CM Odisha declared COVID-19, as a “State Disaster”, on 13.03.2020. Upon declaration, OIA immediately sensitized its members about the disaster. Several informative posters about the prevention of COVID-19 were placed across the industrial estate.

- Honble PM called for a Janta curfew on 22.03.2020. All members were swiftly apprised about it and they were advised to support it whole heartedly.

- To fight the pandemic, Government of India ordered a national shutdown from 25.03.2020. Members were again sensitized about it swiftly.

- Since the country was staring at a humanitarian disaster, OIA initiated and distributed Cooked Food for 10 days to underprivileged people who had no access to food.

- All guidelines issued by Government of India and government of Odisha, from time to time, were communicated to members so that they remain safe.

- Shutdown impacted the livelihood of our Members in a huge way. Sensing this, OIA contacted the Government and presented a list of demands.

- A virtual meeting between Industries Associations and Inter-Ministerial Committee was organized by the government, on 25.04.2020. Chairman and General Secretary participated in the virtual meeting. OIA demanded a support package for MSEs in this time of crisis and impressed upon the Inter-Ministerial Committee to implement it at the earliest for early revival of economy.

- On 12.06.2020 OIA invited the Executive Engineer, TPCODL and had a detailed discussion on smooth & continous Power Supply in Jagatpur Industrial Estate.

- On 25.07.2020 OIA in association with Synergy Group of Institutions organised a webinar on SIDBI SUPPORT TO MSME ECO SYSTEM

- OIA welcomed the new MSME secretary to office on 27.07.2020 and subsequently a delegation under Vice President OIA met him and a fruitful discussion was held for the revival of MSEs after lockdown.

- Finance department Odisha came up with a draft OGFR-2020. This document will guide all future procurements by the Government departments. On minute perusal of the draft, OIA came up with several critical loopholes in it which can lead to the closure of many MSEs. A detailed clause by clause analysis of the draft was prepared and sent to the government for necessary modifications in the OGFR.

- Realizing the possible detrimental impact of Government policies on MSEs, OIA joined hands with other Industry Associations and launched a coordinated campaign against anti MSME OGFR guidelines.
- Independence Day and Ganesh puja were celebrated by maintaining all COVID-19 guidelines.

- OIA along with other Industries Association formed a taskforce to fight against the Government decision to discontinue DEPM rate contract system. A joint press meet was held in Bhubaneswar on 07.11.2020 to highlight the issue.

- Freehold of IDCO land has been a long standing demand of the entrepreneurs and OIA has championed this cause for long. In this regard, a detailed representation was sent to the Government giving details of similar policies of other states.

- Due to COVID-19 Pandemic, the 16th EC meeting of OIA was conducted virtually and many important deceisons were discussed in this meeting.

- A Pre-Budget consultation for Annual Budget, 2021-22 was held on 08.01.2021. OIA submitted a detailed representation to the Government. The representation contained steps that needed to taken to revive the economy and growth of MSEs.

- Republic day was celebrated with joy and all COVID-19 guidelines were adhered to.

- The menace of duplicate making units has increased many folds. To tackle this criminal activity, a circular was issued among members to keep a close watch in their neighborhood and report any suspicious activity to the association and police.

- OIA believes that preserving the environment is of paramount importance. Therefore a circular was issued to all members to ensure cleanliness and urged them to not dump waste on the roadside.

- On 04.02.2021, a delegation of OIA led by the Chairman met the DCP Cuttack. New DCP Cuttack was welcomed to his office and OIA appreciated the role of police in their drive to curb duplicate making units. It was impressed upon the DCP that encroachment and illegal activities in the industries area is posing a serious threat to the entrepreneurs. OIA offered all possible help to the police to maintain law and order.

- This year OIA lost few of its esteemed members whose death has left a vacuum. OIA organized a condolence meeting for the departed souls and prayed to almighty for the departed souls.

Dear Members as we all know that due to Lockdown many Units have faced a huge loss and are still struggling for the revival of their Units, OIA will always be a helping hand where ever required.

Friends! I have received full support and cooperation from you all during my tenure as General Secretary. Your love and trust supported me to discharge my duties. I am extending my hearty thanks to all of you and I am sure with your active participation and support our association shall grow much higher level in the future years.

Once again I would like to thank our Chairman, Office Bearers, Executive Committee members, Coopted Members, Special Invitees and all the entrepreneur friends for their sincere commitment & co-operation to carry on the activities of our Association in the most vibrant way.

Thank You all

(Vinod Bhut)

APPEAL FOR MSMES DURING COVID-19 PANDEMIC

Sj. Naveen Patnaik

Hon'ble Chief Minister, Odisha,

Bhubaneswar.

SUB: APPEAL for MSMEs

Respected Sir,

This is a time when the whole world is fighting with all might, to a contamination that threatens the existence of humanity.

And we in this land of Lord Jagannath are fortunate to have you at the top of administration, for which proactive measures are taken by Government and also people on your appeal, to contain the deadly virus.

The Micro, Small and Medium Enterprises (MSME) players in the state as well as in the country responded wholeheartedly to fight the contamination, by suspending production, introducing sufficient sanitization both in the factory as well as in their homes, adhering to the welfare measures for the staff.

Government of India instructions to pay full salary without works was very difficult to follow when the cash flow has come to a halt due to lack of production and sale during lockdown.

The ground impact information gathered from various sources shows that over 72% of the over 75 Million MSME units in India are closed during the lock down in cities for four weeks and a staggering 28 percent will close down in the coming eight weeks.

If the panic extends beyond 8 weeks, the situation of MSME sector shall be largely affected and it shall take a year time for their revival with fresh pumping of fund. Yet the sector without any other alternative continues to walk this difficult journey. But as there is a need to take some effective steps both by Central Government and state Government departments, we are submitting this appeal.

1. The GST & IT submission timeline \ schedule dates may be relaxed at least for four months or one month after containing the virus contamination, whichever is later.

2. As the Prime Minister has asked to give full salary to employees and the units are closed, the ESIC as per its provision may be directed to pay 50% of the salary for four months or one month after containing the virus spread, whichever is later.

3. When the industry isn't even able to pay salaries, making PF, ESI, TDS contributions seems impossible. Therefore we submit MSME units may be exempted from depositing the contribution of EPF, PPF & ESIC of their employees for four months or one month after containing the virus spread, whichever is later. The same may be paid by GOI as assistance to MSME Sector.

4. Though the units are closed the electricity bills are served with higher fixed charges. The electric companies may be instructed to collect only charges of power consumed for four months or one month after containing the virus spread, whichever is later.

5. Since there is total lockdown the concerned departments may be advised not to take any punitive actions for non-payment of bills for four months or one month after containing the virus spread, whichever is later.

6. Over and above, the Government's proposal for reclassification of MSME as a major policy change from the investment-based classification to turnover-based classification, may not be made at this point of time.

7. With factories closed and cash flow virtually dried up, once the calamity is under control, MSME sector wants the Government to come up with financial support for payment of employee salaries.UK Government has announced to pay 80% salary of certain employees. GOI should also come up with such proposals to build the health of devastated MSME sector.

8. When the industries are closed and expected to get effected at least for next six month in post COVID-19 period we request for wave out of Interest on all MSME loans at least for next 3 month.

SIR, we thought to share few of these ideas with you at this hour so that Government may consider few issues right now to sort-out and recommend Central Government for suitable policy announcements.We stand strongly with you SIR, in fighting the battle, staying locked down at home and extending all possible support to our employees and also to society as per our ability. We believe our appeal shall receive due consideration and Government shall come out with relevant announcements before it is too late.

With deep personal regards.

Yours faithfully,

(Abani Kanungo)

SUGGESTIONS FOR MODIFICATIONS IN DRAFT OGFR –2020

25.07.2020

To,
Sj. Satyabrata Sahu, IAS
Principal Secretary ,MSME
Government of Odisha,
Kharvela Bhawan,
Bhubaneswar.

Sub - Suggestions for modifications in Draft OGFR – 2020

Respected Sir,

Finance Department has released a copy of Draft OGFR- 2020 on its website https://finance.odisha.gov.in/notifications/2020/Draft%20OGFR- 2020.pdf . Our Association has gone through it and we came up with several glaring discrepancies in the draft which are not in line with the existing Government of Odisha Policies and notifications like IPR2015, "Odisha Procurement Preference Policy for Micro and Small Enterprises"-2015, MSME Development policy 2016, Odisha Startup Policy 2016 etc.

Sir, COVID- 19 Pandemic has dealt a crushing blow to MSMEs and this draft will further aggravate the problems of MSMEs.

Sir, this Pandemic has taught us that supply chain must remain in the state at all times so that the critical procurement is unaffected. This draft will lead to closure of lot of MSMEs which will drive the supply chain outside the state.

With the return of our migrant workers , the state faces an uphill task of rehabilitating them. Sir, MSMEs can play a huge role in employing our migrant brothers and sisters as MSMEs are one of the largest employer.

Sir, we put forth before you several suggestions (attached herewith) for modifications in this draft which will boost MSME Growth and result in prosperity in the state.

Hope you will look into it personally and intervene, for the safety and growth of MSMEs of our state.

Thanking you,
For Odisha Industries Association

GENERAL SECRETARY

Suggestions Put Forth for the Kind Consideration.

To,
The Principal Secretary,
Department of MSME,
Govt. of Odisha...

Dt : 14.07.2020

Suggestions put forth for the kind consideration

Financial Sector: Banks

- All the pending bills of the MSMEs dealing with various Government Departments and Big Industries must be released immediately within a stipulated date which will give a adjustable cushion to manage the units. All the Government departments may be instructed to clear MSME bills within 30 days of receipt of materials.
- The backbone of MSME has been totally broken because of the effect of Pandemic since March. To help MSMEs, Government of India has earmarked funds and asked Banks to defer interest payments and sanction fresh limit to run business. But the real issue is cost of funding and its impact on the affected MSME.
- To make the sector stand on its feet again and restart afresh the following measures are suggested. Necessary proposals may be sent to central Government for necessary action at their end.

  A- Interest generated in the loan accounts from 1.3.2020 till the date of resumption must be assessed and fully subsidized from the MSME fund.

  B- Existing Limits with additional cushions wherever necessary may be sanctioned afresh with a very low rate of interest for two years.

  C – For all MSME an interest subsidy of 50% interest generated every month may be availed by banks from that MSME fund. That is by way of collecting only 50% of interest accrued from the units on both reassessed term loan and cash credit advances.

  D- Making available 20 % of the total loan as contingency loan with 1% interest, to restart the closed units, and repayment of such loan with two years moratorium in 18 equal installments.

Matter pertaining to IDCO

- IDCO was formed with a single point agenda of promoting industries, but of late it has focused more on infrastructure development activities for large and heavy industries other than MSME.
- To allow units to avail competitive funds from Banks and other financing houses, conversion of leasehold land to freehold by Government may be allowed to units who have run the units for ten years or more with a very nominal conversion fees. This demand is lying with Government since last two years and Government in Revenue department need to take a policy decision and include it in the upcoming IPR for MSME.
- IDCO may be instructed to build Labor hostels in all industrial estates. This step will allow MSMEs to keep their work force in a protected area during this pandemic.
- NOCs issued by IDCO must be simple and free from any condition and should be for one time only and there should be no need for the entrepreneurs to seek NOC again if they desire to change banks.
- No charges must be imposed by IDCO when an entrepreneur decides to change industrial activity as this decision is taken by him/her depending on the current market demand.
- Cleanliness of industrial estates is of prime concern. Cleanliness drive must be undertaken by IDCO on a war footing.
- Waste management is one area which has to be given utmost priority. Big industrial estates like Jagatpur, Mancheswar must be provided with a waste treatment plant which can be used by industries on payment basis.

IPR 2020

- We understand that the government is planning to launch an IPR for MSME during 2020. IPR is the most sacred document for the industry as it will guide the state towards industrial growth. The draft of IPR must be shared with industrial associations at the earliest so that a policy which is contemporary and beneficial for the state can be formulated by taking into account their suggestions.

GOVERNMENT STORES PURCHASE/ PURCHASE BY LARGE PRIVATE INDUSTRIES

- **"Vocal for local"** must also be adopted in our state. Items whose value in less than 10 crore must be procured by state tenders where only local industries can participate.
- Large private industries of the state must mandatorily procure 50 % of their requirement that is manufactured in the state from local MSMEs.

Matter pertaining to Electricity

- MSMEs are one of the biggest revenue generators for DISCOMS, but unfortunately we are the most neglected sector as far as power availability is concerned.
- Minimum Fixed Charges of all MSMEs must be waived - including units below 100 kv load during the Covid-19 period.

- Because of huge demand, Separate Grid must be provided to industrial Estates which is free from rural feeder. This will be a win win situation for all as industries will get uninterrupted power supply and DISCOMS will save energy due to transmission loss.

- As announced by the Government, twin city will be provided underground electrical cabling. This facility must be extended upto Jagatpur Industrial Estate as it is the largest industrial estate of the state, where huge number of industries is based and huge employment and revenue are generated.

STEPS BY ORGANIZATIONS UNDER THE MINISTRY:

NSIC

- MSMEs availing Raw Material Assistance against Bank Guarantee prior to 01/03/2020 allowed moratorium of 03 months for repayment of outstanding dues
- Accounts of MSMEs to be frozen to avoid outstanding in the books in cases where outstanding is going to touch 99.99% of BG value.
- SPRS enlistment certificates expiring between 01/03/2020 to 30/06/2020 to be continued.
- 50% discount offer on Annual membership in MSME Mart extended.
- Godowns of essential commodities like Polymers in Field Offices allowed to carry out operations
- Contribution of Rs. 100 lakhs made by NSIC to PM CARES Fund from its CSR fund. Its employees also contributed Rs. 15 lakhs.

POST LOCKDOWN PLAN

Priority in manufacturing of COVID Related Items such as masks, gloves, PPE, ventilators, Testing Equipment, Infrared Thermometers, etc.

Supporting Mass Production CFCsfor mass production of such products/ intermediaries by MSMEs

Emphasis on quick Industrial Infrastructure Development

Consultation with stakeholders for setting up of CFCs & manufacturing of identified items for domestic utilization as well as export purposes

Faster Approvals May require relaxed terms & conditions especially for the items which fall under medical/auxilliary categories

POLICY ADVOCACY (1 OF 6)

Meeting Delivery Schedule

- in respect of Government orders, PSUs, Railways etc. where Liquidated Damages (LD) clause may apply as per contract terms.

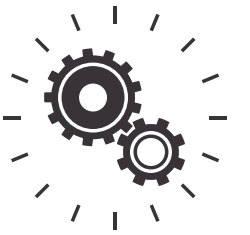

Proposed Action

- DPE, Railway Board and other Ministries having PSUs to be approached to allow relaxation in applicability of LD clause for a period of two months from the schedule date of delivery/execution of order

POLICY ADVOCACY (2 OF 6)

Delayed Payments

- MSMEs always suffer due to delayed payments and also do not possess sufficient funds to meet crisis like COVID-19

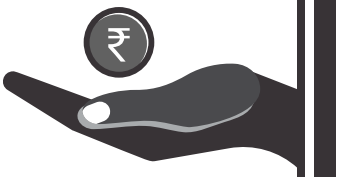

Proposed Action

- DPE, Railway Board to be approached for immediate intervention and release of all pending payments by CPSEs and Railways to the MSME, even if the related matter is pending with MSEFC

POLICY ADVOCACY (3 OF 6)

Meeting Fixed Cost

- The most emerging challenge during the lockdown period as well as in the post COVID-19 period would be meeting fixed costs. While this will be burdensome in absence of regular funds flow, the problem will be more intensified if Banks/NBFC create pressure on MSMEs for repayments of the dues.

Proposed Action

- State Governments to be approached for taking suitable initiatives to exempt/reimburse the electricity and other fixed charges during this period.

POLICY ADVOCACY (4 OF 6)

Escalation of Raw Material Prices

- In the post COVID-19 period, it will be obvious for MSMEs to face challenges from rising raw material prices

Proposed Action

- Deliberate with Ministry of Finance to consider reduction in GST rates on raw materials to partially compensate for the price escalations.

POLICY ADVOCACY (5 OF 6)

Issues of Financial/Statutory Compliances

- Relaxation in statutory compliances like filing of GST returns in time, timely refunds of GST payments and some other measures need to be taken.

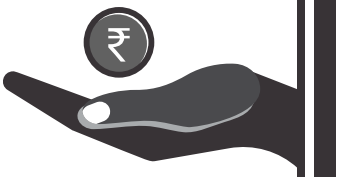

Proposed Action

- Department of Revenue to be approached for examining the matter and providing suitable relief measures.

POLICY ADVOCACY (6 OF 6)

Credit Support for MSMEs

- Moratorium period of 6 months for repayment of MSME loans and other forms of debts, together with a provision of 'no change' in the credit rating during the said period.
- Norms for declaring NPA period in banks be extended to 180 days for at least next 2 years as the MSMEs need uninterrupted banking assistance to deal with this crisis situation.
- Interest rate subvention @ 3% on loans to MSMEs that are healthy and not NPAs.

Proposed Action

- Deliberations with Department of Revenue and Department of Financial Services for bringing in suitable measures for the MSME sector.
